# DELHI PUBLIC SCHOOL

DELHI PUBLIC SCHOOL established as scion of GAYATRI TECHNICAL EDUCATION TRUST (GTET) that came into existence in 1999 with the vision to promote quality education and made a mark in the region with its flagship educational institution AISHWARYA COLLEGE OF EDUCATION. The Trust is now foraying into school education realizing the gap prevalent in implementation of latest teaching methodology according to modern day necessities and needs of children. DELHI PUBLIC SCHOOL wishes to play a role of catalyst in endorsing the pedestal of children productive habits and vision to excel.

## About School :

Delhi Public School is a premier co-educational institution with a centrally air-conditioned campus, set amidst lush green surroundings that provide a serene and inspiring environment for learning. The school follows a nationally recognized curriculum and offers both CBSE and IGCSE boards, ensuring a diverse and comprehensive academic framework that caters to global educational standards.

With a commitment to academic excellence and holistic development, the school seamlessly integrates academics, co-curricular activities, and life skills. Modern teaching methodologies, interactive classrooms, and experienced faculty foster critical thinking, creativity, and leadership qualities, preparing students for the challenges of the future.

Beyond academics, the school provides extensive opportunities in sports, performing and visual arts, technology, and values-based education. Its state-of-the-art infrastructure, well-equipped labs, and dedicated faculty create an environment where students are encouraged to explore their potential, build confidence, and develop into well-rounded individuals ready to excel in a rapidly evolving world.

Dear Students and Parents

It is our privilege to welcome you to our institution, a place where dreams take flight, potential is unlocked, and future leaders are nurtured. Guided by our vision, “Unleashing Potential, Creating Leaders,” we are dedicated to fostering an environment that inspires innovation, excellence, and holistic growth.

At the core of our philosophy lies the belief that every student is unique, with boundless potential waiting to be realized. Through a blend of academic rigor, co-curricular opportunities, and value-based education, we aim to empower our students to think critically, lead confidently, and contribute meaningfully to the world.

Our team of passionate educators and visionary leaders work tirelessly to cultivate not just intellect, but also character, resilience, and a global perspective. Together, we strive to create an enriching journey that shapes not only accomplished professionals but also compassionate, responsible citizens.

As you join our family, we assure you of our unwavering commitment to excellence, and we look forward to supporting and celebrating every milestone of your success.

Warm regards,  
Administrative Team

## MISSION STATEMENT

Our mission is to unleash the potential of every student by fostering a culture of excellence, innovation, and character-building. We are committed to developing confident, resilient, and empathetic individuals who are equipped to lead and inspire change in a global community.

## VISION STATEMENT

Our vision is to be a transformative learning institution that empowers students to realize their full potential and become visionary leaders. Through a dynamic, inclusive, and forward-thinking approach, we aim to shape individuals who will drive positive change and create a better future for all.

## Aims & Objectives Unleashing Potential, Creating Leaders

To Ignite the flame of potential within our students, fostering an environment where curiosity thrives and dreams take flight. At our school, we are dedicated to sculpting not just scholars but leaders of tomorrow. Through innovative education and a supportive community, we empower each student to embrace challenges, cultivate resilience, and emerge as confident leaders ready to shape the future. Join us on a journey of growth, where every student's unique abilities are recognized and nurtured.

# Kilkari – Society of Empowering Humanity

Kilkari is yet another visionary initiative of our school, dedicated to creating a better tomorrow for the underprivileged. As a charitable organization, it actively supports various causes, including providing shelter for animals, planting trees to safeguard the environment, campaigning against air pollution, and assisting the sick and needy.

A key initiative under Kilkari is its non-profit educational unit, which provides free education to underprivileged children. This foundation was established with the goal of nurturing young talent and ensuring quality education for those who are often deprived due to financial constraints or societal barriers. By bridging the gap in education, Kilkari empowers children to build a brighter future and break the cycle of poverty.

## ACADEMIC PROGRAM & CURRICULUM

### World-class curriculum for 21st century skills

We embrace the challenges and opportunities of the 21st century by offering a world-class curriculum designed to develop future-ready individuals. Our curriculum is meticulously crafted to integrate academic excellence with the essential skills of the modern world, including critical thinking, creativity, collaboration, and communication.

Emphasis is given on experiential learning, innovation, and a global perspective to ensure that our students are not only prepared for today but are equipped to lead tomorrow. Through a perfect blend of tradition and technology, our curriculum inspires learners to thrive in a competitive and ever-evolving world.

## PHONICS PROGRAM

The phonics is a pivotal component of our English language curriculum, dedicated to unraveling the intricacies of sound production and enhancing language proficiency. Phonetics plays a crucial role in understanding the sounds of various alphabets, guiding learners on the precise articulation of words through a holistic exploration of tongue movements, vocal cords, lip gestures, and breath control.

Phonetics labs foster an interactive learning environment where students actively participate in practical exercises, enhancing their phonetic skills.

## ENGLISH DRAMA & COMMUNICATION

Drama as a valuable form of communication provides students with an opportunity to work together cooperatively on a shared life. It gives students the change to express themselves more effectively in everyday situations. Our English Drama and Communication program is designed to immerse students in the rich world of literature, theatrical arts, and effective communication.

Through this, we empower students to think critically and express themselves effectively.

## SMART INTERACTIVE CLASSROOMS

Our Smart Classes integrate technology with learning, making education more interactive and engaging. Equipped with digital boards, multimedia content, and real-time simulations, they enhance understanding and retention. This modern approach fosters curiosity, critical thinking, and a deeper grasp of concepts across all subjects.

Our commitment to cutting-edge education ensures that learning is not just about memorization but about exploration, discovery, and application.

## MORE ABOUT CAMBRIDGE CURRICULUM

**My First Steps with Cambridge** is a three-level, comprehensive and holistic course for pre-primary learners aligned to the ECCE (Early Childhood Care and Education) guidelines. It gives young learners the best start in life, helping them to meet key early milestones and thrive in and outside of school.

- It develops the knowledge, understanding and skills they need for the next stage in their education.

## OLYMPIAD: A REGULAR FEATURE

Our school actively participates in Olympiads, nurturing academic excellence and a healthy competitive spirit. Olympiads in Science, Mathematics, English, and more enhance critical thinking and problem-solving skills, while the Olympiad for Pre-Primary introduces joyful learning in English, Hindi, Mathematics, and EVS. Together, these programs strengthen foundations, boost confidence, and prepare students for future challenges. Our students have also brought laurels to the school by winning Gold Medals at various Olympiad levels.

## VOCATIONAL CLUB ACTIVITY

Delhi Public School offers an extensive range of club activities, ensuring students have opportunities to explore their interests, develop essential skills, and achieve holistic growth.

Our **Vocational Club Activities** focus on practical, hands-on learning to prepare students for future challenges. **The Literary Club** hones creative writing and communication skills, while the **Debate Club** fosters critical thinking and oratory excellence. **The Self-Defence Club** empowers students with confidence and skills to ensure personal safety. **MUN Club** offers structured debates on global issues. In **DIY Club**, students develop practical skills and creativity.

Aspiring chefs can explore their culinary creativity in the **Culinary Club**, while the **Gardening Club** promotes environmental awareness and a love for nature.

**The Eco Club** focuses on sustainability and environmental stewardship, and **the Music Club** nurtures musical talent and appreciation. **The Brainholic Club** enhances problem-solving and cognitive mathematical skills, while the **Chess Club** develops strategic thinking and concentration.

These diverse clubs cater to varied interests and empower students to discover their potential and excel beyond academics.

## ART & CRAFT

The school recognises the importance of creativity in a child's overall development through a variety of activities including painting, sketching, sculpting, and crafting. With a dedicated space and expert guidance, the program nurtures creativity, builds confidence, and encourages self-expression.

## MUSIC

We believe music is a universal language that nurtures the mind and soul. Our music program fosters a deep appreciation for rhythm, melody, and harmony. Students are introduced to a variety of musical instruments, vocal training, and diverse genres, enabling them to explore their talents and develop a lifelong love for music.

## DANCE

Dance is celebrated as a vibrant form of self-expression and a powerful medium for creativity and physical fitness. Our dance program offers students the opportunity to explore various dance forms, including classical, contemporary, folk, and modern styles, under the guidance of experienced instructors.

## YOGA

Our yoga program promotes physical health, mental clarity, and emotional balance, helping students develop resilience and focus in their daily lives. Students learn various asanas, breathing techniques, and mindfulness practices that enhance flexibility, strength, and relaxation. By incorporating yoga into their routine, a sense of inner peace, discipline, and harmony is cultivated which empowers them to lead healthier and more balanced lives.

# INFRASTRUCTURE & FACILITIES

## Air-Conditioned Campus

Delhi Public School features a fully air-conditioned campus, ensuring a comfortable and conducive environment for learning. The modern, climate-controlled classrooms provide students with a cool, distraction-free space to focus on their studies, regardless of the weather outside and enjoy optimal comfort throughout the year.

## Auditorium

Our state-of-the-art auditorium is designed to host a wide range of events, from cultural performances and talent shows to seminars and workshops. With comfortable seating, advanced sound and lighting systems, and a spacious stage, the auditorium provides an ideal setting for both students and faculty to showcase their creativity and talents.

## Science Laboratories

The school is equipped with modern and well-equipped science laboratories that provide students with hands-on learning experiences. Our physics, chemistry, biology, and computer labs are designed to foster inquiry, experimentation, a deeper understanding of scientific concepts and ensuring a safe and stimulating environment for students to explore and conduct experiments.

## Computer Lab with Wi-Fi Facility

The futuristic computer lab provides students with access to a wide range of digital resources, enabling them to engage in research, develop technical skills, and enhance their learning experience. The Wi-Fi facility ensures seamless internet access, allowing students to explore the vast world of information and stay connected with the latest developments in technology.

## Infirmary

The school is committed to the health and well-being of its students, which is why we have a fully equipped infirmary on campus. The infirmary is staffed with trained healthcare professionals and is designed to provide immediate medical care in case of illness or injury. It is equipped with essential medical supplies and facilities to ensure students receive prompt attention when needed.

## Fire Safety

Our campus is equipped with advanced fire safety measures, including fire alarms, smoke detectors, and strategically placed fire extinguishers in key areas. Regular fire drills are conducted to ensure that students and staff are well-prepared to respond efficiently in the event of an emergency.

## GPS in Buses

The school ensures the safety and security of its students during transportation with the installation of GPS tracking systems in all school buses. This technology allows real-time monitoring of bus routes, ensuring timely arrivals and departures. Parents can also track their child's bus in transit, providing added peace of mind.

## Library

The school library is a hub of knowledge, fostering a love for reading and lifelong learning. Stocked with a diverse collection of books, periodicals, and digital resources, it caters to the academic and creative needs of students across all grades. A quiet and inspiring space, the library encourages research, independent study, and intellectual exploration.

## Dance & Music Studio

The school has a vibrant space for dance & music where creativity and rhythm come to life. Equipped with modern instruments and a well-designed dance floor, the studio provides students with the perfect environment to explore various dance forms and musical genres.

# INFRASTRUCTURE & FACILITIES

## The Play School: Play Group to Prep

The school offers a nurturing and stimulating environment for young learners through our Play School program, catering to children from Play Group to Prep. This foundational stage focuses on the holistic development of children, encouraging them to explore, learn, and grow through fun-filled activities. From Play Group to Prep, each step is designed to foster curiosity, creativity, and confidence.

## Splash Pool

The splash pool allows children to engage in water-based activities that promote physical development, coordination, and social interaction. It helps in building confidence in water while offering a playful setting for relaxation and enjoyment. The pool is designed with safety in mind, with supervised sessions to ensure that children can enjoy the water in a secure and controlled environment.

## PTM – A Regular Feature

Parent-Teacher Meetings (PTMs) are a regular and essential feature of our educational approach. These meetings provide an opportunity for parents and teachers to come together, discuss students' progress, and address any concerns. PTMs foster strong communication between home and school, ensuring that parents are actively involved in their child's educational journey.

## Educational Visits

We believe in the value of experiential learning beyond the classroom. Our Educational Visits program offers students the opportunity to explore real-world applications of their academic lessons by visiting museums, historical sites, industrial units, and natural reserves. By connecting classroom knowledge with practical exposure, it fosters critical thinking, and creates lasting memories while promoting social interaction and teamwork.

## MORNING SPECIALISED SPORTS (MSS)

Our Morning Specialised Sports (MSS) programme is a distinctive feature of the school, offering structured, high-quality sports training every morning. Students receive expert coaching in a wide range of disciplines including Cricket, Football, Basketball, Badminton, Volleyball, Handball, Softball, Hockey, Self Defence, Lawn Tennis, Kho-Kho, and Kabaddi. The programme also includes indoor games such as Carrom and Chess, along with Gymnastics and Yoga to promote strength, flexibility, and overall well-being. MSS ensures that every student begins the day with focused physical activity that builds fitness, discipline, teamwork, and sporting excellence.

## Itsy Bitsy for Pre-Primary Classes

The Itsy Bitsy program is designed specifically for our youngest learners in the pre-primary classes. This innovative program combines fun and education, focusing on the early development of key skills such as language, motor abilities, social interaction, creativity and lays a strong foundation for learning, fostering curiosity, confidence, and a love for exploration.

## The Bharat Scouts & Guide

Our Bunny Tamtola, Cub, Bulbul, Scout and Guide programmes help students grow into confident, disciplined and compassionate individuals. Through age-appropriate activities, creative learning, teamwork and outdoor experiences, children learn responsibility, leadership and a spirit of service. These programmes encourage curiosity in young learners, build cooperation among growing boys and girls, and inspire older students to contribute positively to their community while developing strong character and life skills.

Our teachers are experts in their respective fields, with a passion for fostering academic excellence and supporting the personal growth of every student.

## Care Calls - A Monthly Feature

We prioritize the well-being and progress of our students, and as part of our ongoing commitment to their development, we make Care Calls to parents on monthly basis. It allows us to address any concerns, celebrate achievements, and work together to provide the best support for each student. The Care Calls strengthen the connection between school and home, ensuring that both parents and teachers are aligned in fostering the child's growth and success.

## Inter-House Competitions

The House System comes alive through a variety of Inter-House Competitions that encourage students to showcase their talents, foster teamwork, and build school spirit. These competitions span a wide range of academic, artistic, and sporting events, offering students opportunities to shine in different areas. The entire school community comes together to cheer for their respective houses, fostering a vibrant and inclusive atmosphere throughout the academic year.

## School House System

The school has implemented the House System to promote a spirit of healthy competition, teamwork, and leadership among students. The school is divided into four houses: Valor, Harmony, Grace, and Wisdom. Each house is designed to encourage students to excel in various activities, from academics and sports to cultural events and leadership roles.

## STUDENT LIFE & SUPPORT

At Delhi Public School, student life is centred around fostering a well-rounded, inclusive, and supportive environment where each student can thrive academically, socially, and emotionally.

In addition to these opportunities, we place great emphasis on providing student support through regular counselling sessions, mentorship, and care calls to keep track of their progress.

We also have a well-structured student council, offering leadership opportunities where students take an active role in school activities, contributing to decision-making, and organizing events.

Through a combination of academic excellence, co-curricular opportunities, and strong emotional support, Delhi Public School ensures that every student has the tools and guidance to succeed and grow in all aspects of life.
